Waagax Haja Flashcard Activities

Cut on dotted lines. To make them more durable, print on cardstock and also laminate. Different ways to play with flashcards.

- 1. Lay all cards face up. Children match the picture with the Hooçąk word.**
- 2. For memorization of the location, lay cards all face down. Have children flip the card over and find the matching Hooçąk word.**
- 3. Use some of the Hooçąk word cards and find some of the school words in your house or classroom.**
