Hųcwihiragni Aaki'ake Flashcard Activities

Cut on the dotted lines. To make them more durable, print on cardstock and laminate.

1. Pronounce the Hooçak words.
2. Lay all cards face up and mix them up. Children match up the opposites.
3. For memorization of the location, lay cards face down. Have children flip the card over and find the correct opposite picture.
4. Make a Hooçak word file folder activity. Use a file folder and laminate pictures. Attach Velcro to the back.
