## What is Lunch & Learn?

Language Lunch & Learns were created to practice our Hooçak with fellow Hooçak learners in a safe, informal, no judgement environment. All knowledge levels are welcome. We're all learning. Let's help each other use what we've learned.

Our subjects for this series of sessions will revolve around the **Baseball Book**, with a language tournament on Tuesday December 5th at 9:30 AM. Tournament will be held at the TOB atrium in Black River Falls. Teams will be chosen via scramble. The top 3 winning teams will be awarded with Cash and Swag.
